AS THE BEST WAY TO FIGHT STAPH INFECTIONS**

**Clark has a line of products designed to kill MRSA.**  
Contact your Clark rep to learn about these important  
products . **TODAY.**

# RECOMMENDED MRSA PREVENTION STRATEGIES

- A proper hand washing program is the most important behavior in preventing infectious diseases.
- Do not share a towel, soap, or other personal care items.
- Clean equipment/work areas using a disinfectant cleaner that has demonstrated efficacy against MRSA.
- Avoid sharing personal items such as towels or razors.
